

## EXECUTIVE BIOGRAPHY

# Carrie L. Tillman

Carrie Tillman is the vice president of SPV Management (U.S.) for **CSC**<sup>®</sup> Global Financial Markets (GFM). Since joining CSC in 1995, Carrie has excelled in the administration of special purpose vehicles, including bankruptcy remote companies, statutory trusts, and other unique corporate structures.

Carrie's dedication to her clients and her work make her an asset and a standout choice in the trust, agency, and finance industry. As a provider of corporate transaction solutions, she has completed many hours of specialized training and education by executing simple and complex corporate strategies and deal structuring with her clients and their advisors.

Currently, Carrie manages client relationships for the GFM group's SPV Management unit, and her responsibilities include accounting services, administrative support, corporate secretarial duties, employee, and officer and director services. She also focuses on expanding existing client relationships and developing new business in the legal and finance industry as part of the CSC New Business Development Team.

Prior to joining CSC, Carrie studied general business and finance at Delaware Technical and Community College. She also serves on the board of directors and is acting secretary of her local church in Wilmington, Delaware.
