

EXECUTIVE BIOGRAPHY

David Flynn

David Flynn is a senior analyst for the Agency Services Team at **CSC® Global Financial Markets** (GFM). He joined CSC in May 2019 and is responsible for managing a portfolio of deals, managing payments, and IPDs.

Prior to joining CSC, David was with U.S. Bank as a structured finance manager responsible for a large portfolio of structured finance deals and conventional debt deals. He has more than 14 years of financial services experience and has also worked for Merrill Lynch, Clearstream, and AIB. David's experience in financial services range from working in finance and leasing to investor services and structured finance.

David earned a first class honours degree in business management from Dublin Business School and has completed the Professional Certificate in Consumer Credit.
