

EXECUTIVE BIOGRAPHY

David McCormack

David McCormack is head of Transfer Agency services for **CSC** Global Financial Markets. He is responsible for implementing global operations controls in CSC's fund services business across the U.S., Europe, and APAC regions.

Prior to joining CSC, David was a senior manager for Global Operations Support at Equinor Alternative Investment Services where he managed the onboarding, system enhancement, and back office controls across the group. David also held various operations roles at Equinor and has extensive experience working in several accounting systems. He began his career at Citi Hedge Services where he coordinated and managed transactions from a governance, compliance, and administrative perspective.

David is a graduate of Dublin City University where he received a B.A. in accounting and finance.
