

## EXECUTIVE BIOGRAPHY

# Lynda Kenny

Lynda Kenny is the head of compliance and risk, Fund Services for Global Financial Markets (GFM), responsible for managing all regulatory approved control positions for **CSC's** global locations.

Prior to CSC, Lynda held similar Central Bank of Ireland approved executive roles at Harmonic Fund Services and HSBC Trust Services Ireland. She also worked within corporate banking, Citigroup Paris, and held control positions with Societe Generale and BNP Paribas.

Lynda holds the LCOI designation with the Association of Compliance Officers of Ireland, and the Specialist Risk designation from the Institute of Risk Management in London. She has served on various industry working groups addressing matters on AML, Organizational Risk and Prudential, Regulation and Governance.

Lynda graduated from NUI Galway with a BA international in economics and French. She holds a postgraduate diploma in business administration from the University of Limerick, a professional diploma in compliance from UCD, and a postgraduate diploma in finance law, bank, corporate, finance, and securities law from the Law Society of Ireland. She most recently completed the financial services risk management postgraduate certification from the Institute of Risk Management in London.
