

EXECUTIVE BIOGRAPHY

M. Martine Slicer

M. Martine Slicer is an account administrator at **CSC®** and an integral part of the Global Financial Markets (GFM) team. Since Martine's arrival in October 2018, she has been tasked with learning the new fund administration system, Investran, while offering accounting services for traditional clients, and acting as manager and officer for the SPV business.

Martine has been in the fund administration business for over 27 years, having started her career in mutual funds at PFPC (now BNY Mellon) and working her way up the ranks. In her last position at BNY Mellon, Martine was responsible for the conversion of new hedge fund clients onto the accounting platform as well as training and system support. In 2016, Martine started working for SEI investments as an implementation specialist. While there, she was responsible for converting new hedge and private equity client data onto the company's accounting system while managing non-conversion projects for the department.

Martine earned her B.S. in accounting from Goldey-Beacom College, and also holds an M.B.A. from Wilmington University.
