

## EXECUTIVE BIOGRAPHY

# Pamela Jasinski

Pamela Jasinski is vice president of Special Purpose Vehicle Management (U.S.) at **CSC**® Global Financial Markets (GFM), having joined CSC in February 1998. She and her client services team work together to provide accounting, administrative, employee, officer, and director services to the firm's clientele. Pamela ensures that all CSC Special Purpose Entity clients are properly established and operate according to the practices and procedures set forth by CSC. She is also a member of the CSC New Business Development Team, which is responsible for growing the existing client base and expanding into new business areas.

Previously, Pamela served as chief operating officer at Swfte, International, a software publisher, with offices in Delaware and Switzerland, where she managed the accounting, human resources, purchasing and fulfillment, customer service, and tech support departments consisting of approximately 50 employees. Pamela also has in-depth banking experience acquired during her tenure at Empire of America Federal Savings Bank in Buffalo, New York. She brings over 30 years of accounting, administration, and client servicing experience to CSC.

Pamela studied accounting at Erie County Community College and Bryant & Stratton Business Institute in Buffalo, New York.
