

EXECUTIVE BIOGRAPHY

Remko Dieker

Remko Dieker is Managing Director of **CSC® Global Financial Markets** in The Netherlands. He is responsible for overseeing the entire regional office for fund, depository, and capital markets services, as well as liaising with regional teams in the U.S. and Europe.

Remko has more than 20 years of international banking and financial services experience. Before joining CSC, he was responsible for managing the integration between KAS BANK, the Dutch custodian and asset-servicing provider, and its new owner, CACEIS Investor Services. During his years at KAS BANK, he held various managerial roles, including managing director corporate, head of market management and managing director German branch, and Trustee of the KAS BANK Pension fund. He also served as a legal counsel for ABN Amro and began his career as a lawyer at BarentsKrans, specialising in financial services.

Remko received a master's of law degree at the University of Amsterdam, a post-graduate degree in finance and securities from Grotius Academy in the Netherlands, and completed an executive leadership program at THINK School of Creative Leadership in 2019.
